One Hundred Years of Progress . . .

The Scottonian staff wishes to add its congratulations to the many that have been given the Board of Education as representative of all the Toledo school boards for their excellent work of improving the school system in Toledo in the last one hundred years. The record of its activities is remarkable and very laudable.

The anniversary of the founding of the Toledo Board of Education was commemorated May 3 by holding open house in all the schools, and by a parade May 9 in which all the schools took part. It was on May 9, 1849, that the first Toledo Board of Education was created.

Clubs, representatives of many different classes and the departments, and the Student Council took an active part in the support of the Scott section of the parade, thus helping to make the observance of the one hundredth anniversary an outstanding occasion.

'As Toledo Knows, Toledo Grows'

Foreword

Because during the past four years we have had a lot of fun as an accompaniment to the hard work of studying, we have chosen the theme of School Life for the 1949 Scottonian.

Our high school years have included many social events and have provided us with the opportunity of making many lasting friendships. We have learned many principles that will guide us in the future. We have learned the value of loyalty and cooperation and realize that without these qualities the best of plans and ideas will fail. We have learned to get along with others, for we have seen in our school life that this is necessary.

In our classrooms we have acquired a broader outlook on life, practiced tolerance, and friendship. In our gym classes we have been physically trained. All these factors have helped us to prepare ourselves for the duties and responsibilities of our future lives.

Dedication

Members of the faculty and student body have found that when they need posters made, dance bids printed or programs designed, they can always find help in room 204. Cuthbert Ryan is always willing to help with these and many other school projects. By making these efforts, and by working extra hours, he has helped make many of our social events successful.

In addition to working on these extra assignments, Mr. Ryan has found time to greatly improve the equipment and instruction in the art classes. As head of our art department, he has developed the handicraft classes from the ones in which the students had only a few mediums to work to the present classes in which the students may work in a great variety of materials.

Much of the success which the Scottonian enjoys each year is due to the careful supervision of Mr. Ryan over all art work which goes into the year book.

In the past twelve years in which "Cutsie" Ryan has been at Scott, he has become an important factor in our school life. We sincerely thank Mr. Ryan for everything he has done for us, and we are glad to dedicate this year book to him.

Cuthbert Ryan

Edward L. Bowsher

Superintendent

For the past twelve years Mr. E. L. Bowsher has maintained our school system with admirable competence, in spite of the fact that at times funds have been quite limited.

Although most students rarely see him, Mr. Bowsher is nevertheless a vital part in our school life, formulating and executing the school policies of the city.

Mr. Bowsher was delegated to organize city-wide observance of the centennial of the founding of the Toledo Board of Education.

Because Mr. Bowsher has directed our school activities, and has the final authority in our curriculum, he has greatly influenced our school life.

As principal of Scott High School, Richard J. Langstaff has maintained high standards in efficiency and leadership. Because of the careful planning of Mr. Langstaff, this year we started off with regular school work on the first day. This idea had been carefully worked out, as Mr. Langstaff has been striving to execute the plan for the past few years.

The idea of sending the "News Letter" to all parents of Scott High School Students was originated and fostered by him. Mr. Langstaff has put into effect and encouraged the new testing program, which has proved highly successful.

Our principal has many duties, and his days do not always go smoothly, but he meets his problems with tact and resourcefulness.

Office

As many students know, the office is one of the most important places at Scott. The business of the school is carried on through this channel, with the efficient aid of Mrs. Margaret Biggs, our school treasurer; Mrs. Helen Byrne, statistical and attendance clerk; Mrs. Marian Masell, clerk in charge of college transcripts; and our new Miss Joanne Eagle, manager of the bookroom. The students at Scott appreciate the time and effort these women put forth, and the way they always perform their duties with a smile.

Ink schedules mean lots of work!

Vernon R. Alberstett

Dean of Boys

Our dean of boys Vernon R. Alberstett has made school life run more smoothly for many students. With his friendly advice and kind understanding, Mr. Alberstett has helped solve the different problems that arise in the school year.. A dominant factor in school life, he has capably undertaken and performed his duties.

Dean of Girls

As dean of girls, Miss Anne Smead has been a helpful influence in the school life of all the girls. Her tact and generosity are well known by many. When a student is in need of a friend, our dean is always there with a helping hand.

Miss Anne Smead

Mrs. Louise Meffley

Director of Activities

Mrs. Louise Meffley is one of the busiest persons here at Scott. As director of activities, Mrs. Meffley has helped to plan and to organize as well as supervise the many varied things which go on in our school. This year the program for the school's activities has gone smoothly, and we have arrived at the end of the year with everything that was planned for us accomplished. We have many thanks to give Mrs. Meffley for her efficient work this year.

Seated—Mr. Rogers, Mrs. Goldberg, Mrs. Whipple, Mr. Collins

This year we at Scott have greatly profited by the projects of the Parent-Teacher Association. Under the leadership of Mrs. Charles E. Whipple, president; J. C. Collins, vice-president; Howard P. Rogers, treasurer; and Mrs. Morton Goldberg, secretary, this group has planned and carried out many worthwhile and helpful projects.

In the fall they started out by sponsoring the magazine drive and the Findlay train trip for those who sold subscriptions. The annual Music Festival was again sponsored by this group and as usual was a great success.

As chairman of the *News Letter*, Mrs. C. D. Matt has helped bring the parents closer to the school and to school life. Mrs. H. E. Willard, chairman of the home room mothers, has organized this group and has done many things for the different home rooms.

We have many things for which we should thank the Parent-Teachers Association, and we hope that they know how much we appreciate their efforts.

Freshman Class

L. to r.: Ruth Harrell, Sanford Taylor, Philip Goldstein, Joan Siegel, Annette Cossitt, Karen Koster
Seated: Mrs. Featherstone, Adviser

For another time a freshman class has chosen to be governed by an executive council rather than by the customary officers. The class of '52 chose Annette Cossitt, Phillip Goldstein, Ruth Harrell, Karen Koster, Joan Siegel and Sanford Taylor as their leaders. The council in turn named Sanford Taylor chairman and Joan Siegel secretary.

Freshmen activities this year included the Frosh Frolic, a drive for the collection of tax stamps for which the money received went toward Care packages, and sponsoring the hobby show at the Scotza-Playing.

The council is to be commended for having its program for the past year run so smoothly.

Sophomores came back confidently to Scott this year after completing an eventful first year.

This large and enthusiastic class selected their officers early. As president they elected Carolyn Lord; vice-president, Patricia Taber; secretary, Jane Davis; and treasurer, Hester Staunton.

A successful rummage sale was held to secure funds for class activities. They also had an assembly for sophomores only, which was very entertaining. Their annual prom was held in the gym and was well attended.

Junior Class

By now the junior class has become well established in the affairs of school life. The students chose as their officers Richard Hamilton, president; Shirley Tanber, vice president, Sally Huber, secretary; and Gertie Blumenthal, treasurer.

Nancy Rogers and Kenny Lowe, as co-chairmen of the ring committee, made all arrangements for the purchasing of the class rings. Ted Grey and Mary Lou Balsinger, co-chairmen of the social committee, did an excellent job of organizing the J-Hop.

The junior class has prepared itself for all the fun and work of next year, and also to become the main figures in school life.

Senior Class

Betty Adams Joe Krajewski Miss Schaff Joanne Douglas

Now we're all seniors, and very proud of this fact. The time when we entered Scott as green little freshmen seems long ago. But we still have vivid memories of this year. Ike Nicholas, Jack Loss, Beverly Goldman, and Walt Ritzman were elected as our president, vice-president, secretary, and treasurer respectively.

In our sophomore year we got into the swing of school life. We elected as our officers Martha Hibbert, president; Joanne Douglas, vice-president; Betty Adams, secretary; and Georgea Cohen, treasurer.

By our junior year we had become a factor in school life, contributing such affairs as the junior prom, and other social events. We chose Don Pease as our president, Joanne Douglas as vice-president, Darlene Pettigrew as secretary, and Barbara Bernor as treasurer.

At last we've arrived at the most exciting year of all. We have been doing so many things, and our days are filled with the Senior Prom, the senior play, baccalaureate, commencement, and all the other activities that make up the senior year. As our officers for this year we chose to take over the duties of president, vice-president, secretary and treasurer, Joanne Douglas, Betty Adams, and Joe Krajewski. We have proved to ourselves that we can be responsible, and we have prepared ourselves for our future lives during our days at Scott.

Varsity Football

The Scott High School varsity football team, under the coaching of Al Sacksteder, in the fall of 1948 was not as big nor as powerful as last year's squad. They proved, however, to be high-spirited, fast and deceptive. The Bulldogs of '48 were the lightest ever to represent the Maroon and White in the school's gridiron history with a line averaging only 169 pounds.

Porter King and Lester Allen, two Scott gridders attained the coveted honor of being selected for two all-star teams. Jim Swiatek, King and Allen were named on the first team of the all-city eleven.

Porter King led the city in scoring with 117 points and was second in the state. He scored 16 touchdowns and 21 extra points.

SCOTT 27 LIMA SOUTH 7

Scott opened the 1948 season on the right side of the ledger at Lima, Ohio with an easy victory over South High. South's coach, Bill Theisen, was very much impressed at Porter's performancce as he racked up 21 points including three after-touchdown placements. Jim Swiatek contributed to the assault with a 42 yard dash to account for the fourth bulldog T. D.

SCOTT 27 WOODWARD 0

The Scott line led by Allen & Co., played a stellar defensive game against Woodward as the Polar Bears penetrated Bulldog territory only once in the entire game.

King, Crampton, and Watkins tallied touchdowns for the kennels to keep the score board busy.

SCOTT 20 CENTRAL 12

In the first half Central built up a 12-0 lead. Scott made a great comeback with their inimitable Porter King making touchdown runs of 45 and 70 yards to take the lead from the Irish. To insure the Bulldog victory Watkins went over from the one yard line.

SCOTT 41 DeVILBISS 26

Led by Porter King's four touchdowns and five extra points the Sacksteder brigade easily subdued the Orange and Black at DeVilbiss's Page Stadium in a scoring contest resembling a basketball game.

Chet Woodson and Jim Swiatek joined in on the scoring as Scott built up a 27-6 first period lead, 34-13 halftime lead, and a 34-19 third quarter splurge.

SCOTT 13 CANTON McKINLEY 66

Canton dealt Scott a most thorough beating as Canton's huge team rolled up 627 net yards gained to Scott's 228 yards.

The only consolations coming for Scott against the number one team in the state were King's 73 yard sprint and Crampton's one yard buck for touchdowns.

SCOTT 7 LIBBEY 21

Scott looked strong in the first moment of play when on the kickoff Twining, on a handoff from King, ripped his way down the sidelines to the Libbey 27. On the next play King shot around end to the 7 yard stripe. A fumble relinquished the Scott threat.

A 90 yard march by the Blue and Gold netted them a first period tally which they kept as the half ended.

In the third quarter Lester Allen recovered a Cowboy fumble in the end-zone for a Scott touchdown. King's kick was through the uprights to notch the score at 7 all.

Later in the period Libbey broke the tie on a pass play that resulted in a T. D. and sealed the verdict with a 9 yard scamper which annexed Libbey's final touchdown.

SCOTT 40 WOODWARD 12

Woodward proved no match for Scott as the Dogs virtually walked all over the Bears with Scott's Swiatek leading the onslaught with three touchdowns. King was next in line with 16 points, and contributing 6 was Chester Woodson.

Swiatek opened the fireworks with a 37 yard romp through the middle of the Woodward line which faltered against the precision blocking of the Scott line.

King scored on runs of 75 and 35 yards.

In the last chapter of the contest Woodward took to the air and came out with two touchdowns in succession against the second and third teams of Scott.

SCOTT 7 FINDLAY 2

On a rain swept Saturday evening 600 Scott students embarked on a special train to Findlay, Ohio.

These students had earned their seats by selling magazine subscriptions.

Our Scotters and 4,000 Findlay fans braved the rain and saw Porter King intercept a Trojan aerial and return it 60 yards for the only touchdown of the contest.

In the final period of this soaking saga Findlay registered its two points on a safety.

SCOTT 14 CENTRAL 20

After a scoreless first period, Scott rolled up a touchdown in the second quarter. Late in the second period Central threatened on the Scott one, but the half ended too soon for the Irish to further their thrust.

Going into the fourth and final stanza the Red and Gray took a 13-7 lead as their offense began to function.

Porter King, producing runs of 21 and 25 yards, manipulated a drive from the Scott 34 to the Central 2, where he bulled his way over.

King's second conversion was also successful to give Scott a 14-13 edge.

With three minutes remaining in the contest, Central made a relentless comeback as Ron Kaminski rambled 11 yards on a delayed buck into the Bulldog end-zone to give Central the shamrock.

SCOTT 0 WAITE 13

Sorely missing their all-state, all-city back Richard (Porter) King, Scott, with sophomore Hank Garn as replacement, nevertheless played an inspired game losing 13 to 0 in a highly contested contest before a huge throng that exceeded some 15,000 spectators in the Scott Stadium.

The Scott offensive lacked the spark and drive Porter had given it, but the Bulldog determination showed up well in the defensive play with Swiatek and Allen leading the way to keep the game from becoming one sided.

Jim Swiatek provided the longest run of the game when he intercepted a Waite pass and raced it back 40 yards to the Purple and Gold's 30 yard line.

Waite touchdowns came in the second and third quarters.

Top: Head coach Al Sacksteder shows a new play to Andy Kandik, line coach; Joe Collins, trainer, and Ralph Merickel, lightweight coach. Left: Former football stars for Scott, Ron Swiatek and Dick Nathanson, coached freshman football. Right: Much credit goes to Mr. Molnar, equipment manager, who was capably assisted by Gene Corkins, Melroy Liggins, and Harry Caldwell.

Majorettes: Mary Ann Demski, Marilyn Peet, Donna Grindle, Nancy Warnke, Mary Sterling, and Joanne Douglass . . . . Porter King cuts his birthday cake . . . . Cheerleaders at assembly in stadium . . . Assembly for magazine drive. Mr. Mater and Mr. Welday man the Findlay train!

Lightweight Football

The Scott lightweight team under the capable supervision of coach Ralph Merickel finished the season tied for the city league championship with Central. The Bulldog J.V.'s showed considerable improvement over their freshmen year when they won only one out of five games. Only once during the season was Scott outclassed. That was against the Perrysburg varsity in the opener.

Coach Merickel used his squad alternatively; therefore, he is almost two deep in every position, meaning they will have reserve strength.

Freshman Football

The Scott Frosh Football eleven after a season which saw them failing to register a victory in five attempts showed, however, a great deal of improvement with every game. They nearly toppled Libbey as they finished the season strong under the combined efforts of two former Scotters, Ron Swiatek and Dick Nathanson.

Next year the squad will receive a longer period of practice and a better chance to smooth out some of the rough spots in their offensive and defensive play and make changes in positions and line up.

BASKETBALL 1948-49

The Scott varsity produced a 5-18 record which, as far as the '48-49 season was concerned, could be summed up by the saying "The end justifies the means". The means was the excessive use of underclassmen on the varsity squad. The end was to produce a powerful and experienced varsity squad to carry the Bulldog banner in the 1949-1950 season.

SCOTT 20 DELTA 18

Because quite a few basketball players participated in football, these athletes did not have enough time to reach their peak performance for this contest, making the game a sloppy battle. George Arnold was the year's first high point man with 9.

SCOTT 44 OTTAWA PUBLIC 39

Coach Kandik inserted a two platoon system against the Ottawa team using his sophomores on one squad and his upperclassmen on the other. He used a squad per quarter to take the contest. Jim Swiatek accounted for 9 points.

SCOTT 25 WOODWARD 37

Scott lost its first game of the season to Woodward in a city league duel. Scott held the Bears in check until the final period when Woodward's vaunted attack netted them 13 markers to Scott's 6. Sophomore Hank Garn was the big gun for Scott with 9.

SCOTT 29 FREMONT ROSS 33 (overtime)

Scott muffed a chance of beating Fremont as the dogs missed 9 valuable foul shots compared to 11 for 16 made by the Giants.

The little Giants overcame a late 22-15 lead by the Bulls to take the game into overtime.

Basketball

Bill Shay | Jim Berry | Jim Arbuthnot | Phil Oberlin | Hank Garn

SCOTT 45 WAITE 42

The Bulldogs, remembering the foul shooting lesson given them by Fremont, captilized on the charity tosses to upset their arch rivals.

SCOTT 40 NAPOLEON 29

At the cage carnival at Defiance, Ohio, the defending champion Scott five rolled over the Bob Cats 40-29 with the underclassmen accounting for the 29; 12 of those were accumulated by Hank Garn.

SCOTT 18 FOSTORIA 50

An uninspired Bulldog squad took 32 minutes of punishment as everything went wrong in the finals of the carnival. Scott made good on only three field goals.

SCOTT 30 LIBBEY 47

Libbey gave its version of the two team system to the Bulldogs, as the Cowboys were never headed seriously in the contest. Bob Weyant had 9 points for the locals.

SCOTT 27 CENTRAL 66

The state finalist Central Irish's heighth, speed, and experience, combined with their almost impregnable defense, made up of two men and three back easily subdued the green Scott team. Central led at half 39-6.

SCOTT 32 ARCHBOLD 35 (overtime)

George Arnold's field goal in the last seconds of play was good enough to send the game into overtime 32 all. At that point the "B" school registered 3 to the local lads' nought. Hank Garn and Arnold shared scoring honors with 11 apiece.

SCOTT 27 MACOMBER 37

Scott, playing slow deliberate ball, trailed the entire contest. Hank Garn manufactured half his mates' total as he hit for 14.

SCOTT 25 DeVILBISS 42

The orange clad Tiger quintet nailed the Kandikes with their sixth straight loss and fifth city league defeat. Phil Oberlin hit high with 7 for the Maroon and White.

Varsity Basketball

SCOTT 35 ALUMNI 34 (overtime)

Coached by athletic director Al Sacksteder, led by former all-city Cottrill, Wakefield, and helped by Paul Amstutz's 12 points, the ineligible led for three quarters of the battle until the school boys evened the score at 32 all as the regulation time expired. Phil Oberlin made a 14 point contribution to lead the teeners.

SCOTT 26 WOODWARD 43

The Bulldogs matched Woodward in the first half of the contest, trailing at the half only 19-20. In the second half of play, Scott fell back into its old pattern of play and Woodward romped. Berry's 7 led the brood.

SCOTT 45 WAITE 51

The Indians enjoyed sweet revenge by squaring the series with Scott. Scott picked up 19 points in the last period as they tried vainly to get back into the ball game. Henry Garn led the losers with 14 markers.

SCOTT 37 WHITMER 44

Hank Garn hit for 18 points, the individual Bulldog season high, but was not enough to stop the Panthers who led all the way.

SCOTT 40 LIBBEY 51

Scott, growing stronger and stronger as the season progressed, played Libbey (the team that beat Central twice this season) on even terms but for a hapless third quarter. Garn led the kennels with 5 goals and 3 fouls.

SCOTT 28 CENTRAL 65

SCOTT played Central a first half of deliberate ball that worked fine and at one point gave Scott a 10-9 lead. In the second half Cen'ral broke its zone in favor of a man to man defense. The Collingwood cagers were unable to cope with this new attack and sent their second team into the fray in the fourth stanza on the short end of a 39-22 score.

SCOTT 30 MACOMBER 26

The steadily improving Doggies, playing slowly and making every shot count, won their second league game. Scott came from behind an 18-21 deficit in the last period to hand the Craftsmen the verdict, with Garn and Berry knocking off 9 points apiece.

SCOTT 30 DeVILBISS 38

DeVilbiss took advantage of the extra foul shots and the slow start of the Bulldogs to triumph over them. The Scotters outhit the Upton Ave. gang in the second half 17 to 16. Bob Weyant led the squad scorers by ramming through 11 points.

SCOTT 49 LIMA SOUTH 54

Scott trailed at the intermission 12-22. In the second half Scott was a ball of fire ringing-up 37 markers, 23 in the final 8 minutes. Bob Weyant's 17 led the lost attack.

SCOTT 54 LIBERTY Center 40

Scott built up its highest mark of the season, with Berry leading the way with 14, Weyant at 13, and Garn at 12.

SCOTT 33 CENTRAL 49

Scott gained a moral victory by holding the Irish down. Many observers pointed out that the Bulldogs might have upset Central if they would have played the way they did against Liberty Center. And so Scott ended its season by being ousted in the first round of the tournament play at the university field-house.

Lightweight Basketball

Back Row: Frank Hudson, Sandy Olnhauser, Benjamin Wisbon, John Mitchell, Peron Dubard, Russell Taylor.

Under the management of a new coach, Dean DeLong, a former Genoa High School star athlete, the Bulldog intermediates didn't fare too well. The reason was obvious. Most of Mr. DeLong's first string material was playing varsity ball.

With Hank Philipps, set shot artist, coming up, high jumping Peron Dubard in the center slot, drive-in Wise, the skillful ball handling of Russ Taylor, and the fine rebound work of Olnhausen and Hines, the varsity will be as deep in reserve strength as any coach could possibly pray for.

Front Row: Bob Pope, Stanley Michota, Charles Tooman, Lewis Steingroot, Don Harris. *Back Row*: Phil Goldstein, Robert Lewis, Tom Hufeld, Irving Brenner, Larry Moorehead, Larry Charnas, Philip Joelson.

The 1948-'49 crop of freshmen disclosed some excellent talent. Because of a few bad breaks the Merickel-coached team lost several of their games by margins of one or two baskets.

Led by Larry Moorehead, who later in the season was advanced to the varsity, the talent included push shot specialist Bob Pope, Will Robinson and alternate Bob Lewis at the guard posts. Chuck (Tubby) Tooman proved to be a tricky ball handler and the not-too-tall Tom Hufeld performed well in the pivot position. Phil Goldstein and Larry Charnas were able alternates.

Track

The Scott High School thin clads of 1948 under the direction of "Doc" Meissner finished their season behind Libbey and DeVilbiss in the city league.

Scott placed third in the DeVilbiss night relays and was the only Toledo entry to produce any points at the Ohio Wesleyan Relay.

The Scott Bulldog showed a bit of greyhound in his veins as he whizzed past the Waite Indians by virtue of a 79½ to 38½ victory in their debut. Bob Sciplin came up with 15 points, which he made as a result of winning the 100 and 440 yard dashes plus being anchor man on the winning mile relay team. Scott took 10 of the 14 firsts in winning.

The Scott tracksters next journeyed over to Western Avenue and absorbed their first defeat of the season at the hands of a surprisingly strong Libbey squad 53½ to 64½. Libbey took eight firsts, Scott won five firsts, and one ended in a tie. This same Libbey track team ended a DeVilbiss winning streak of 61 consecutive track meet victories by having their meet ruled a tie.

Scott registered an easy victory over a Central track team who hadn't the talent they had possessed in years past. Scott won 12 of the 14 firsts which helped produce the 92½ to 25½ total. Bob Sciplin was a standout for the team as he contributed firsts in the 100 and 440 yard dashes, placed third in the high jump, and ran with the victorious mile relay team. Bob Sciplin did the 100 yard dash in 10.5; other good times were Cirgenski's mile run in 4:59.5, and Porter King's 880 done in 2:15.2.

At the Ohio Wesleyan Relays Scott placed 3½ points tying for second in the mile relay. Owens, Olszewski, Lewis, and Sciplin made up the relay quartette.

The DeVilbiss Night Relays proved successful only to DeVilbiss who won the meet with 57.7 points, followed by Sandusky with 32.5, Libbey with 32, SCOTT with 25.25, Bowling Green 20, Adrian 18, Birmingham (Mich.) 16.7, Bellevue 14, Fostoria 14, Woodward 7.2, Upper Sandusky 6.25, Waite 6.2, Maumee 5, Port Clinton 4, and Fremont with 3.45.

Scott earned their points by taking two firsts, one third place, and two fifths. Clark Cottrill took first in the shot put with a 45 foot 11.37½ inch throw. The other first came with the 4-lap relay team.* The third placer was provided by the 1-lap relay** boys. The two fifth-spot honors come from the efforts of Peron Dubard on the high jump, and Johnny Butts in the 100 yard dash.

Scott brought their season to a close failing to meet DeVilbiss. Scott in their final meet proceeded to white-

wash the Woodward Bears (the Bears were fresh from a victory over Central Catholic, Woodward's first league win in 7 years) 78.33 to 39.67. Clark Cottrill set a new Toledo high school record for the shot put during the meet with a throw of 49 feet 2.75 inches.

*4-lap relay covers 1,600 yards at DeVilbiss's Page Stadium.

**1-lap relay covers 400 yards.

After a lapse of one year Scott again had a swimming team. It was very green, as it was streaked with many freshmen and underclassmen. Therefore Mr. Meissner joined the clan of those building for next season along with Mr. Kandik.

Scott competed in four meets but failed to make much of an impression. The Dog paddlers dropped their grand-opener to the Purple and Gold of Waite who eked out a close 25-23 decision in the Scott pool.

In their second meet held in the Bowling Green State University Natatorium for Northwestern Ohio District laurels, Fremont finished first with 60 points, followed by Sandusky with 43, DeVilbiss with 40, Waite with 16, Scott with 10, and Delphos Jefferson with 4. Snyder was the only Scott swimmer to qualify. He placed third in the 50-yard free style. All the relay teams also qualified. The Scott relay team made up of Ken Lowe, Jerry Ross, Norm Fast, and Snyder, went to Columbus for the state meet, but Scott failed to gain any points.

In their last encounter Scott was drenched by a powerhouse Fremont squad to the tune of 48 to 18 at Fremont.

Baseball

The Scott baseball nine of 1948 finished a fairly successful season perched in third spot in the city league standings and also won the right to represent the Toledo district in the regional at Bowling Green State University by surviving an 11 team elimination grind.

To win the right to B. G. S. U. Scott defeated Maumee, Whitmer, Central, and Waite. Scott, however, was defeated in the first round of play at the regional by Lima Central.

The Bulldogs used the following lineup and batting order: leading off Dick Hart, left field; Bob Graver, catching; Len Plunkett, short stop; Clark Cottrill, second base; Chet Krolak, first base; Johnny Butts, right field; Tom Duhigg, third base; Dick Denman, center field and Porter King, pitching.

Mr. Lake Bill Denman Joe Sweeney Dan Wisbon
Dick Sewell Don Fleming Jerry Newcorn

The putters of Mr. Lake's 1948 golf squad finished the season breaking even in the city league with three wins and as many defeats and also landed in the middle of a three way tie between Libbey and Central Catholic for third place.

In out of town matches Scott was able to cop only one victory in three attempts.

Don Fleming, Dick Sewell, and Jerry Newcorn of the '48 team will all return for another season.

The best scores posted during the season were Fleming's 76, Newcorn's 81, and Sewell's 82.

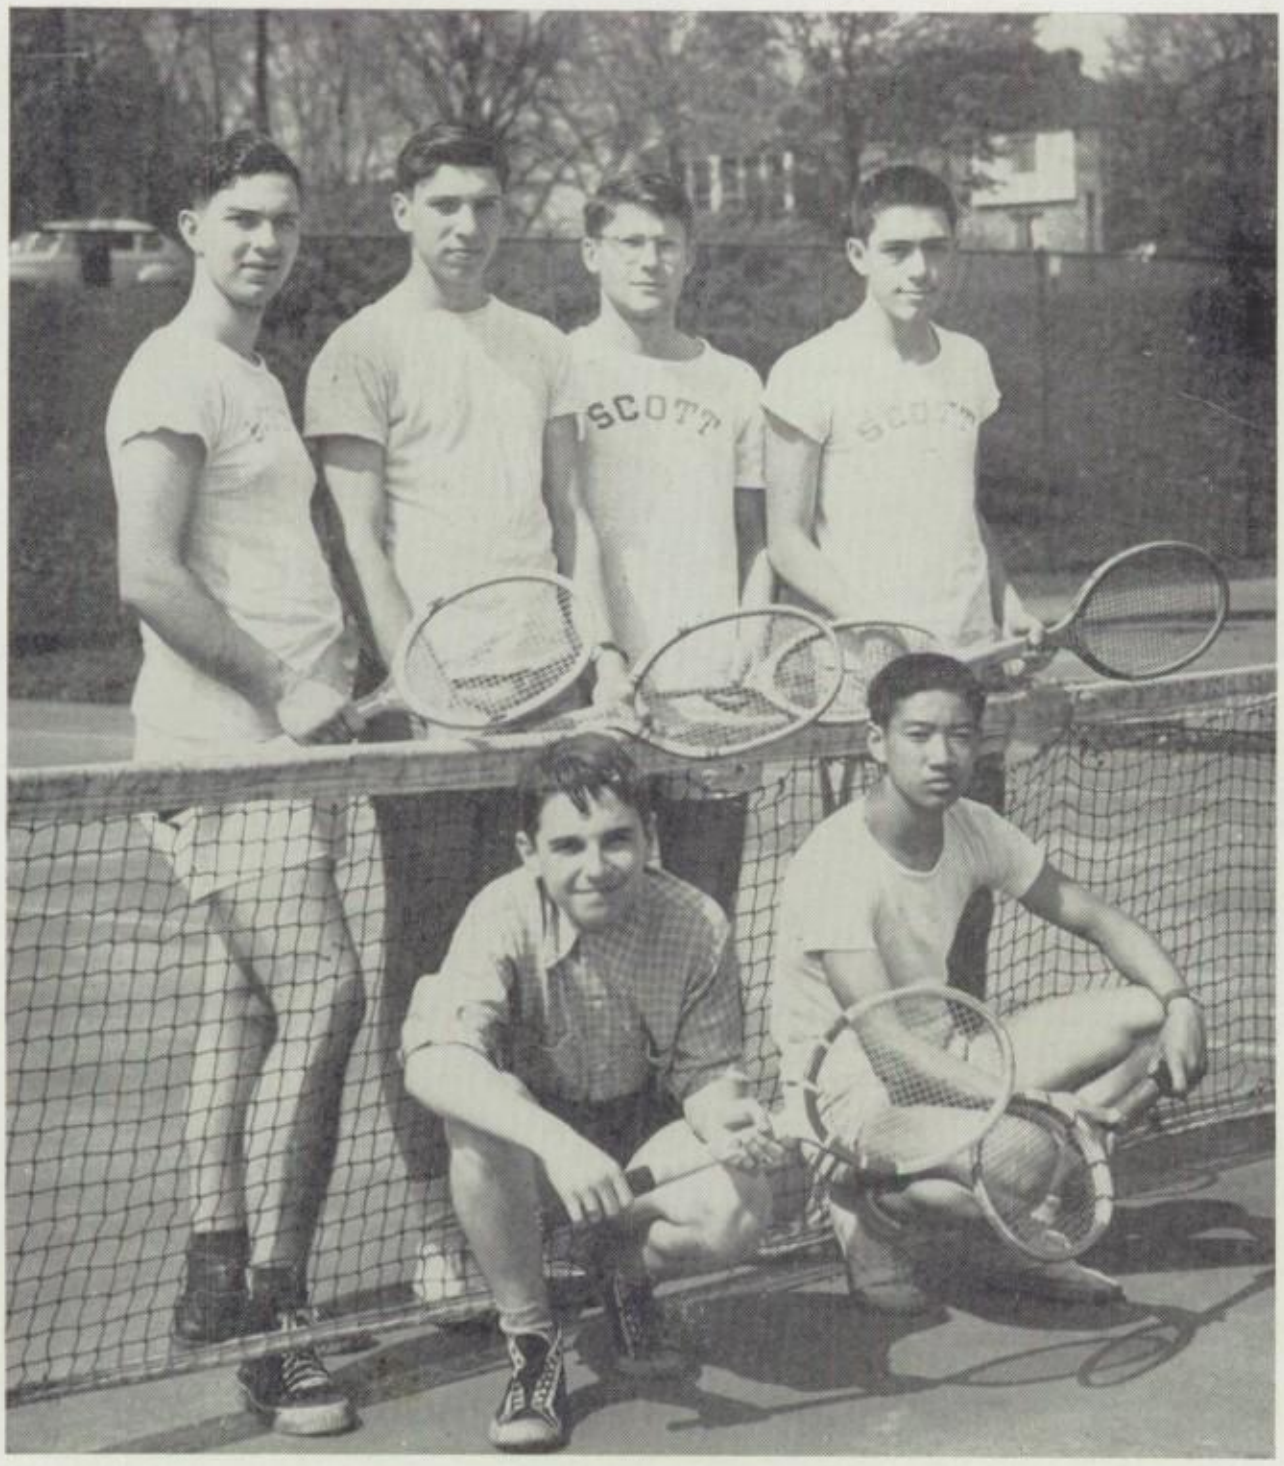
Tennis



James Tanner, Bill Geiger, Dave Plant, Mervin Herman
Herbert Shodiss, Paul Sing

The 1948 tennis team, coached by Miss Geraldine Leitner, came through the season with a 3-3 record in city league competition which was not at all bad, considering that only one player had had experience on the preceding year's team.

The roster consisted of Paul Sing playing number one singles, Bill Geiger and Mel Herman at the number one doubles, Dave Plant at the number two singles, with Herbert Shodiss and Jim Tanner bringing up the number two doubles.

Advancing the appreciation of radio within Scott is the aim of the Aeolian Club. They have taken part in many affairs this year. This club began the year by selling football programs at the Central game, and collecting tax stamps in order to buy a wire recorder. Their most entertaining event perhaps was the "Shamrock Shuffle" held March 18 in the Scott gym. Mr. Harry Lamb spoke at one of their meetings and they put on skits at the Scott-Waite assembly and Scott-Za-Playin. A tea for all radio clubs of the city ended their events for the year.

The purpose of this new Scott club is to promote the interests of the nursing career, to recruit girls for both practical and regular nursing, and to do any service work.

They sponsored a tea for all Future Nurses Clubs in other schools and showed a movie for the club on nursing. The club also worked diligently in the clothing drive.

Future Teachers

President ..... Elizabeth Martz

Vice President ..... Charles Young

Secretary ..... Charlene Sakols

Treasurer ..... Carolyn Booth

Adviser ..... Miss O'Brien

The Future Teachers Club has had a busy year. They observed National Education Week at Scott, assisted at the Northwestern Ohio Teachers Convention, and participated in the panel discussion held at the meeting of the FTA sponsors that afternoon. They have proved to be very capable assistants to the faculty, helping them with various clerical tasks. The club also sold Scott book covers, making a satisfactory profit for their treasury. They also enjoyed observing classes in the elementary schools which gave them an idea of their future work.

An important spoke in Scott's wheel of activities is the band. The band entertained at all home football games and those out of town. It participated in several parades and was on hand at many assemblies at Scott and also appeared at Woodward High, March 10. This group helped welcome the French Merci Train. Several band members competed in the district auditions at Bowling Green and won honorable placements. Then with much work on the part of both Mr. Gerber and the organization, the Band ended its musical calendar with the Annual Spring Music Festival.

The Sixth Hour Chorus had a full schedule this year. They earnestly practiced singing four days a week and on Mondays studied harmony and theory. The chorus sang carols in the halls at Christmas time. On February 25 the chorus contributed to the Musical-Cut-Ups sponsored by the Music Department. The main event this year for the chorus was the Musical Festival May 3 in which the entire class participated.

The Freshman Y-Teen girls have helped Freshman girls have a good time and adjust themselves to high school.

Two of their most enjoyable meetings were their skating party and splash party. The girls also carried on more serious activities such as selling Christmas cards and taking a trip to the Toledo League for the Hard of Hearing. They are always ready to act as a service club whenever possible.

The members of the Sophomore Y-Teen began their club year with a tour through the Toledo Blade and Tiedtkes. A roast, a Christmas party, a party honoring the Senior Y-Teens, and a Mothers Tea at which Mr. Langstaff was their guest speaker were only a few of the successful projects carried on. They were guests of the Junior Y-Teen at a tea and later took part in the installation service of other Y-Teens at Scott. Their events this year provided many good times for all.

The Junior Y-Teen girls have been very active this year. They started the year very successfully with a tea to get members acquainted. In the fall they replenished their treasury by selling programs at the football games and cokes at the basketball games. A bright spot in their social meetings was a Mother and Daughter Tea. Later, to promote better relations between themselves and the Sophomore Y-Teen, they had a joint meeting and invited a speaker who talked about conditions abroad. This group added to the Christmas cheer by decorating the cafeteria.

Promoting school spirit has been the main ambition of the Junior Hi-Y this year. The junior lads started by having a hay ride in the fall. Later, they sponsored a national photo contest. They ended their successful year with a roast.

Senior Hi-Y

President ..... Charles Whipple

Vice President ..... Ed Weber

Secretary ..... Larry Harris

Treasurer ..... Orton Ryan

Adviser ..... Mr. Kirk

The Senior Hi-Y has been very active this year. Outside speakers made their meetings interesting and educational. Some of their activities have been to guard the seats for football games, decorate Room 310 for Thanksgiving, and to take charge of the Easter assembly. This club, for the past four years, has been a credit to Scott.

This group has two purposes in mind—to help those less fortunate and to serve the school. At Christmas, they made favors for the hospital and filled Christmas boxes. One of their largest projects was their annual dance for the people at The Toledo Society for the Blind. Much credit is due to this chapter for the excellent work they have carried on.

Each spring fifteen per cent of the juniors and seniors in the upper third of their class are chosen for their outstanding work at Scott to become members of the National Honor Society. A special assembly was held in April for the induction of these students. They are chosen on the basis of scholarship, character, leadership, and service. It is considered a great honor to become a member of this organization.

For such a newly organized club, the Dramatics Club has accomplished quite a bit. Their trip to the University of Toledo to see "The Importance of Being Earnest" and the presentation of their own plays here at Scott has given them both the opportunity to observe dramatics and experiment themselves. Their study of customing, make-up, props, and dialogue have given them all a clear picture of the dramatics field.

Science Club

President ..... Don Brown
Vice President ..... Howard Sansbury
Secretary ..... Joanne Gutowitz
Treasurer ..... Carole Shapiro
Advisers ..... Miss Longbrake, Miss Wachter

The Science Club during the past year, broadened the minds of its members in the vast field of science. A hike, early in the fall, to Ottawa Park stimulated their interest in outdoor life. Trips to the Toledo Zoo, botany laboratories and greenhouse of Toledo University, and to the television laboratories of WSPD proved both interesting and educational to the group. Funds for their activities were acquired through a bake sale in which all members participated. A few of the members worked on projects which were sent to Bowling Green to be exhibited. Their club paper the "Amoeba" was published different times during the year and was thoroughly enjoyed by all members.

The purpose of the Shakespeare Study Club is to study the great plays of Shakespeare.

This year the club helped to improve the culture of Scott by sponsoring "The Mid-Summer Nights Dream" and "The Taming of the Shrew" put on by a troop of professional actors. On April 23 they celebrated Shakespeare's birthday by presenting scenes from his greater plays for the English students.

Adviser ..... Mr. Molnar

The Zets have been very busy this year. Their first social event was a roast for their pledges that was followed by a hayride. Before the traditional Scott-Waite game they entertained the football players' mothers at the Thanksgiving assembly program. Some of the other activities of this club were decorating the bulletin boards at Christmas and sending $20.00 to CARE. Their purpose—to promote literary interests—is being carried out in a commendable way.

Top Row: Dorothy Hall, Betty Herring, Betty Wilcox. *Third Row*: Gladys Henderson, Darlis Arnold, Shirley Fisher, Ann Colbert, Mary Lou Thompson, Karla Kerlikowske, Carolyn Tompkins. *Second Row*: Pat Mason, Yvonne Tanner, Suzy Howey, Karen Koster, Nancy Philquist, Sherrill Winks, Irene McGuire, Marcia Smith. *Bottom Row*: Lois Ford, Beverly Grindle, Deborah Aunger, Janice Bissonette, Carol Newman, Patty Smith, Violet Plunkett, Alice Leonard.

Girls Swimming Club

President ..... Kathryn Green

Secretary-Treasurer ..... Mary Ann Smith

The purpose of the Girls Athletic League of Scott is to promote good sportsmanship and to develop interest and knowledge of the various kinds of physical activities.

They had lots of fun this year playing volleyball, basketball, archery, and badminton. In February they sponsored a girls' basketball tournament.

Top Row: Phyllis Wright, Lucille McClure, Mattie Mosby, Dorothy Hall, Walterine Yarbrough, Edith Lawson. *Row* 2: Ella Lou Murphy, Leona Moore, Charlotte Williams, Gussie Colbert, Ann Colbert, Joan Martin, Pat Burbank. *Row* 3: Ollie Anderson, Juanita Wright, Shirley Baber, June Secor, Marilyn Bosworth, Janet Green, Harriett Watmore, Joanne Clevenger. *Row* 4: Barbara McGahan, Earnestine Reed, Barbara Myers, Elinor Williams, Jane Foster, Donna Grindle, Donna Broadbent, Beverly Grindle, Carolyn Gruber. *Bottom*: Joanne Holmes, Melba Thomas, Barbara Jean Washington.

Beginners' Bridge Club

President ..... Jackie Paterwich

Vice President ..... Carol Van Baalen

Secretary ..... Roslyn May

Treasurer ..... Norma Odesky

Adviser ..... Mrs. Meffley

The purpose of the Beginners' Bridge Club is to learn the fundamentals of bridge and to be of service socially. Their club meetings every second and fourth Tuesday, help them to enjoy the sociability of a club's activities. A bridge party in the spring closed their projects for the year.

Top Row: James Grau, Alice Weisman, Carlene McNeil, Margo Hertz, Nancy Moore. *Third Row*: Charles Alexander, Rita Galliers, Lois Scofield, Margie Stark, Bernice Ruben, Shirley Goldman. *Second Row*: Mrs. Meffley, Rose Ann Turner, Donna Thompson, Susan England, Claire Somerfield, Lynn Miller, Irma Hobberchalk, Arlene Frank, Lois Hudgins. *Bottom Row*: Carol Van Baalen, Norma Odesky, Rosalyn May, Jackie Paterwich.

President ..... Lois Hudgin

Secretary ..... Joanne Cleavenger

Adviser ..... Mrs. Meffley

The Inter-Club Council has kept our clubs at Scott running smoothly and has been a big help to all of us. The club is composed of the presidents from each club. They were in charge of Thanksgiving and Christmas decorations that were appreciated during those seasons. The most important function was the Inter-Club banquet held on March 29. A plaque was awarded to the club with the most original decorations on their table.

Student Council

This organization is one of the most important at Scott, for it represents the student body in all activities. To head this organization the students chose three very capable officers, Bob Mayer, president; Bruce Bacon, vice president; and Barbara Bernor, secretary.

As the representative of the student body, the Council took an active part in all activities. In the fall they were the first to welcome the new students on Freshman Day. They assisted at the sports events by ushering, and selling programs and shakers. They sponsored a November dance, and another dance after a basketball game in the winter. The members took an active part in the magazine drive, and the drive for PTA members. Many other events at Scott were sponsored and aided by the Student Council, and this organization has contributed a great deal to the more enjoyable side of school life.

The commissions have been very busy taking care of all of the numerous details of school activities, and under the competent supervision of Mrs. Meffley, have had a very successful year.

Thistle

Every Thursday, once a month, the Thistle comes out. Behind the appearance of our school paper is much diligent preparation.

As the editor-in-chief, Don Pease has done a great deal for this regular monthly appearance. Don knew the Thistle problems from the ground up because he had worked on the staff all four of his years at Scott. Barbara Graver in her quiet and efficient way helped to keep the Thistle out of the "red", and kept the books balanced. Marcia Zimmerman and Carlene McNeil, as co-editors of the feature page, have worked hard collecting material and arranging the columns for this page, having a lot of fun while doing it, and providing a lot of fun for the readers.

Burt Laderman attended all of the sports events and wrote interesting and vivid descriptions of these affairs in his own style. He was ably assisted by reliable Sanford Perlmutter. Elizabeth Martz covered the girls' sports well in her column. Dick Arndt was always on the job helping to illustrate these sports events, and many other affairs, with his pictures. Jean Wagner faithfully exchanged copies of the paper with other schools.

With the help of all reporters and the journalism class, each issue of the Thistle was filled with interesting articles. When several staff members attended the Northwestern Ohio Conference in Bowling Green, April 30, they not only gained new ideas but also enjoyed a good program.

All members of the staff, under the supervision of Miss Leitner, have helped to make the paper a success this year.

Scottonian

This year some of the members of our staff were entirely new to their duties. However they quickly learned the necessary details and responsibilities. We learned the necessity of meeting all deadlines on time, and have accomplished everything necessary in the successful production of our year book.

Patty Davison, as editor, has helped plan and carry out the book under the supervision of Miss Geraldine Leitner, faculty adviser. The business manager, Walter Ritzman, has balanced the books and has kept us informed as to the state of our finances. Marlene Borton, advertising editor, has done a successful job of soliciting the advertisements.

Dick Arndt has been having a wonderful time taking all the feature pictures this year. Eileen Friedman has completed the difficult job of the senior write-ups. Diane Wender worked hard on the arrangment of the club pictures and the write-ups of the different clubs.

George Oldham, as art editor, assisted by Dick Wyckoff, has designed the cover and all art work in the Scottonian under the supervision of Mr. Ryan.

Robin Smith, faculty editor, Shirley Sutton, panel editor, Phyllis Volker, underclassmen editor, and David Millstein, sports editor, have all contributed a great deal to the year book.

At last the book is completed, and now we can give a sigh of relief. We are proud of our book, and we hope that you enjoy the 1949 Scottonian as much as we have enjoyed producing it.

What's Tomorrow Like?

Tomorrow is the day after graduation. What will it be like? Tomorrow can be a friendly place—a bright attractive office where you'll find old friends and make new ones. Tomorrow can be interesting, important work, good pay and a chance to advance. Tomorrow can be a pleasant, profitable Telephone Job—IF you can measure up to the fine standards of communications work.

Come in and talk it over . . . today!

It is given to only a few to use their life span to benefit all generations to come after them . . . Such was the gift of Thomas Alva Edison, pioneer in applying electricity to better the lot of mankind.

Only a holder of the original Edison license may use the name "Edison" as part of its corporate title. It is the mark of a pioneer. The Toledo Edison Company, a business-managed, tax-paying, self-supporting electric power company, is proud to be so honored.

GLASS—Servant of Mankind

Glass today retains all of its older uses, its unique virtues unmatched by any other material. It furnishes strong, lightweight containers — now so low in cost that they are considered "throw-away" items. Its exclusive beauty in stemware and tableware still contribute to gracious dining. Medicine and other laboratory sciences continue to be completely dependent upon glass.

But today, great industries are finding glass equally essential. Precision-made television bulbs are now mass-produced to meet growing demand. Structural glass blocks and lightweight insulation have made possible new concepts in building. Glass is revolutionizing the textile world in the form of new fireproof draperies and other fabrics.

In tens of thousands of ways, glass is making life easier and better for everyone. And, fortunately, glass is plentiful. The materials from which glass is produced are literally inexhaustible. Modern methods have made it economical to manufacture in all its countless forms.

All this is an achievement of American inventive genius, American scientific research and engineering "know-how", American mass production techniques.

Owens-Illinois Glass Company is proud of the role it has played in this achievement . . . an achievement which has transformed an ancient art into a modern science serving all mankind in a myriad of ways.
